“ Jean and Pastor Bill were at Broad Street Baptist Church when I became a Christian in the '80's. We lived on the same street and I began attending their church in 1984. It was a great place for a new believer to be welcomed, taught, loved, and encouraged. It felt like a family there. I loved the Sunday evening hymn singing where I learned so many hymns. When I had a baby, she provided a wonderful homemade dinner for my family of 6. She was a practical lady. I am grateful to her and Bill for their example of serving Jesus. In 1989 the Air Force moved us to Ohio, and each year I looked for their Christmas letter in the mail, happy to hear all the family news. God granted her a long life and she has been rewarded. (Thanks to Pat Grovatt who notified me.)

“ I just saw this while looking at the obit of my mother, Delphine Kipp. They are there together. There may be a prayer meeting going on! My mother always enjoyed her.

“ Dear Adams family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
