“ *Every time I saw Jeff he was full of energy and inspiring. The last time Jeff and I talked was in the early fall and we had a great conversation in my brother's gym. The conversation covered Jesus and the Bible and lasted for about a hour. He knew a lot of information and kindly shared. I will truly miss Jeff and our conversations! May he rest in peace in heaven!*

“ *Jeff was a fantastically boisterous and all in personality. His joyful personality and spirit will be sorely missed. Even when his temper flared he was quickly back to that joyous smile that made him so easy to get along with. God speed Jeff we'll remember you often and fondly.*

“ *Jefro as I would call Jeff whenever he walked in the room, was a great friend not only to me but to all who had the pleasure of meeting him. I'll always remember the fun and crazy times we shared together with our friends since high school. Not only that but also your personality. It was one of a kind. I'll miss our funny gym sessions with Chris making jokes the entire time. As you called it "The Dynamic Trio"! Then eating sushi and talking about all the new places to try! Wish we could of had that trip to Philly and visit Bustleton Ave for one last round of sushi!! You are a bright light my friend and will always be in my memory forever. Your faith in the lord was just as strong as your physical presence so I know you're in heaven. Rest easy my good friend and may god be with you and bless your family for eternity. Love you Jeffro!*

“ Although we are truly saddened by Jeff's early departure, we need to celebrate his life and how he touched so many people's lives with his unmatched charismatic personality! I went to school with Jeff but didn't really get to know him till after we graduated and we were both bus boys at Charlie Browns Steakhouse. We were like the only two American bus boys as the rest were all Mexican as well as everyone back in the kitchen. We had such a blast working there with those fellas and boy did they all love him! They had never met anyone like him before. Everyone loved Jeff actually...from hostesses to the big bosses! He brought so much positive energy, humor and work ethic...he truly was a superstar! Whenever we were absolutely slammed, Jeff would turn his game face on, say "time for beastmode!" and crank his intensity level up thru the roof! 😊 We hung out a few times outside of work...watching Ultimate Fighting Champion pay-per-views which he had a strong passion for and would've been a force to wreckin' with if he ever decided to step into that octagon ring! You will be so missed Big Poppa Pump by so many! Keep watching over us from up above brotha! 💪❤️🙏
