“ We stopped talking, hanging out in school for dumb reasons, went out separate ways. Three things I had the pleasure of doing was watching your son in preschool, baby Sitting your baby boy and meeting your goofy ass mom. Girl she’s so funny!! I’m sorry we went our separate ways! But I always asked how you was! Never forgot you! You were my 8th grade sister!!!

I’ll never forget the friendship we had when we were close! Ugh especially the time in New York on the field trip when my sister was our damn chaperone and you n her took a walk to go smoke a cigarette! I swore y’all was gonna get in trouble. On the way back to the school we sat with mr Howard and me looking up at his nose asking him when the last time he trimmed his nose hairs!!! Jess, you laughed so hard! I’ll forever be grateful for when you introduced me to josh!
