“ *I just found out Jimmy died. I was Jimmies first wife and we have a beautiful 39 year old daughter (Laura). It saddens me that no one wanted to mention her. JI'm my is now with his mother and best friend John/brother. I know Jim was in pain at the end. He called me when he first was diagnosed with liver cancer. My heart goes out to Brenda and her daughters. I have no ill will towards them. I hope they have peace now. Sincerely Linda Samples Harwood*

“ So many memories with Uncle Jimmy! The Sunday shopping days and then meals with the family. I always got a big kick out of his elephant Goodwill finds. He was always so excited when he found some. Uncle Jimmy you will be missed but I know you are at peace now with no more pain. Sending love to all his family!

“ Jim was truly my brother for over 12 years. We had a lot of good times and spent a lot of time going here and there. I missed him when he left but knew he wanted to be back with his family. God bless him and his loved ones.
