“ *I was so surprised, and then saddened, to hear of Joanie's passing. I can't begin to fathom what her family must be going through, especially her granddaughters, with whom she was so close.*

I met Joanie a number of years ago when I joined the Lumberton Historical Society. She was our treasurer and came to every meeting, as well as all the other events that occurred throughout the years. She was always pleasant, her smile contagious.

While Joanie left us too soon, and at such a young age, she lived her life to the fullest, not wasting a second of the time she was given. She is now reunited with her Dad, and no longer ill. And all who were fortunate enough to have known her have been blessed by her presence.

To Megan, Emily and Abigail, your Grandmother loved you with her whole heart. Keep your memories of her close to your heart until you meet again.

*Sincerely,
Marilyn Phifer*

“ Joan was a dedicated Accounts Receivable Coordinator at Hamilton Continuing Care Center. She was friendly to the staff & the nursing home residents. Besides her math & computer skills, she was talented at sewing quilts & medical masks. She was devoted to her family & proudly showed pictures & videos of the grandkids. Her warm smile & professionalism will be missed by her co-workers. I was lucky to have her as my friend.
