“ Kelly and family I'am so sorry that you lost Your dear sweet Mother. Joan, Skip, and my Children Ken , Tina, Kevin and myself were Very good friends. They were a very big part of my family for many years. We did not know Joanie had passed. My daughter Tina had a dream that Joanie had passed and Joanie came and sat on her bed wearing a veil. She said Joan removed the veil and it was then that Tina realized who it was. It really hit me hard when she told me what happened so I began looking up all the obituarries for a Joan Phillips of Princeton and I found her. Kelly I guess you forgot that a few years back I met you and Joan at the diner just before you moved your mother out of her long time home and I gave you my phone number so that you could let me know how Joan was doing. I didnt ask for your number because I know some people dont like to give out their number. I'm really sorry I didnt know until now but I hope you know that we loved your mother very much and she loved us. With the loss of my husband Ken who Joan grew up with and the loss of my son Kenneth and the severe illness that my daughter has I just lost track of everything. I'm also fighting a serious illness and I hope you will forgive us Kelly. We will miss Joan she was special and so was Skip may they both rest in peace. Iam very happy Joan came to us we had a very special Bond and she loved my son Ken like her own and now she is with him. God Bless you and your Family you were a good daughter and your Mother spoke of you often with so much pride as she did her grandsons. Sincerely Linda Piper & Family 49Skeet Rd Medford NJ 08055

“ *Joni was much more than a sister-in-law. She was a "sister" to me. I am thankful to have known her. It is not easy losing a mother. And I know how much your Mom meant to you, Kelly. The grief does not go away, but it gets easier. Love you Joan. Love you Kelly*

“ *Joan was like a second mom to all of us KIDS in Rancocas. She super protective and yet always had a drawer full of candy. She was a very talented at crocheting too, I still have a blanket she made for me. You will be missed! Love you, Joan, Penny.*
