“ *My sincere condolences to the family(s). I have great memories of Joan and wish I could share them with here too. From running around the backyard to playing in the basement I have great childhood memories at “Joan and Jim’s” and they both played a significant part. Joan was always the warmest and most welcoming person I know and visiting was always enjoyable. I will miss this and will visit these memories to carry on her presence. Rest in peace Joan - you will be missed. -Adam*

“ Our sincere condolences to Keith, Greg and Kim and their families. My heart is heavy with sadness as I try to share memories of Joan. Sharing my memories of Joan will always include Jim. Joan and Jim were caring and kind to our boys. They were always genuinely happy to see them when Kim would take them to her house. They were interested in their stories and adventures. Always making the boys feel special and welcome. The kids loved going to "Steens" (as Matthew would say) knowing they would be treated to goodies. I believe the first thing they looked for was Joan's candy dish usually filled with M&Ms. Joan "turned us onto party mix PM. And it has become a treasured tradition using her recipe. Party mix and Boost what is not to love!! Bryan, Matthew and Adam will always have fond memories of Joan and Jim Steen for all their kindness and love. They were a very special part of the kids lives. Rest now Joan, you will be so missed. And may your candy dish always be filled with M&Ms! XO
