“ Prayers for the family members of Joan Taylor. She and I go back almost 20 years and shared some good times together. Lost touch for a few years and then reconnected as if no time had passed. I just read this on the internet. She and I called each other maybe every month or so. I am so glad she is out of her pain and suffering.

“ Even though I only known Joan for a short period of time it was a pleasure meeting her. She was caring, funny, & had a spunky personality. When we talked she always made me laugh & always asked about my little girl. She loved showing off her turtles to my daughter Violet. She gave great advice & helped people that were struggling. Joan you will be missed by many & it was a pleasure to know you. I will also miss your impeccable crocheting skills! I'm happy your not in pain any longer take care Joan 🙏💚💚💚
