John and I were both graduated of RV class of '72. Played football together as freshman then he decided to play soccer. He was a RV HOF inductee and a fast runner. I will always remember John as a good upright human being that I was honored to have as a friend. My most sincere condolences to his wife Leslie and both of their families. Peace be with you all. “ Knew John since Freshman year 1969. He was always friendly and we always got along. After school, we crossed paths several times, while he was a volunteer at America and while he worked for local engineering firms, specifically Alaimo Assoc., where I believe he became chief inspector on construction projects, before he retired. It was good to see him at the 50th reunion of class of 72. God speed John and prayers for your family.
