“ *Didn't know your dad for long, only a a year or so while cleaning his apartment, but he was a pleasure to work for. Always a funny story to tell, and his pride and love for his children and grandchildren was evident in his stories, his walls, and his fridge! A great man gone.*

“ *My Deepest Condolences;
I wished to say, may God comfort the family and all your friends. In God's word the Bible, we can look forward to the time when death will be no more, and instead of tears of sorrow there will be tears of happiness. (Rev 21:3,4) May your memories continue to provide you a measure of comfort at this time of great sorrow.*

“ Jack was such a great man and always had a smile on his face no matter where he was working or just around town. Ordered so many cakes from him for the U.S. Navy in Moorestown N. He will be missed by so many people.
