“ *Daddy was a very kind, living and generous man. He was a very hard worker and took lots of pride in his home and his yard. He loved his family very much, he had a bad way of showing it at times but we all knew the love he had for each of us was strong. Dhoot he even uded to warm the toilet seat for me when i was young :) I have very fond memories of my childhood. .. we had a blast playing with Lincoln logs and horses. We used to play little house on the Prairie. The love him and Lorna shared was one of a kind, so gentle and so obvious. She took amazing care of him always, and extra special care of him during his illness. Truly blessed to have her. Daddy we will all miss you very much! I love you to the moon and back xoxo - Daddys lil girl*

“ You'll always be with me in my heart, Johnny. You were taken way too soon but I guess God needed you, too. I loved your laugh and your quick wit. I know I'll see you again one day so I won't say 'good-bye', just 'so long for the time being'....Love you Baby Bro!! "Sis" (Peggy Keech-Bolte)
