

John A. Lazzarotti

July 8, 1942 - January 14, 2024

John A. Lazzarotti, of Eastampton, passed away on January 14, 2024 at Samaritan Hospice. He was 81 years old.

John was a lifelong resident of Burlington County. He was the union president of the Communications Workers of America for 35 years where he walked to and from work every day. He was well known by police and county workers in Mt. Holly. He was involved in the CERT program and held classes for emergency training for 10 years. But his last job, as crossing guard in the Mt. Holly school district for the past 10 years, was his most passionate. He was a champion of fighting for traffic safety around the school. His service was appreciated by the children and their parents and bus drivers and was remembered fondly during holidays and end of school years with beautiful cards, gift cards and more.

His last years were spent in his beautiful apartment in Eastampton where he viewed beautiful sunsets and met many new friends in his surroundings. He always had something witty to say to all his new neighbors. He loved viewing his surroundings from the solace of his balcony.

John is survived by his wife Robyn (Burdetsky) his 4 grandchildren, Brooke Hinkle, who truly loved her special and close relationship with her Poppy, and Kaleigh, Ryan and Thomas O'Boyle. His beautiful orange cat Charlie was always close by his side.

A Celebration of Life service will be held for John on Wednesday January 17, at 5pm at Perinchief Chapels, 438 High Street, Mount Holly, NJ 08060.

Friends and relatives are invited to visit with John's family from 4pm to 5pm at the funeral home prior to the start of the service.

In lieu of flowers, memorial donations made in John's memory may be made to Samaritan hospice at www.samaritannj.org

“*John was an integral part of the Burlington County CERT program from the very beginning, sharing his knowledge and enthusiasm throughout the county. For as long as I can remember, John would take every opportunity to share his love for his community, his dedication for helping his neighbors in blue skies and grey. Most of the long time members from the various teams throughout the county were probably recruited by John, or when training, were welcomed warmly into the CERT family. John was always willing to answer the call during disasters, or share his passion with anyone who would listen. John will be dearly missed by all who knew him, but I am sure that he is in heaven passing out his “CERT Ambassador” cards and setting up a Basic CERT class for the angels. My prayers for the family, and thank you for sharing him with us all of these years.*”

“ This is my recollection from those many, many years ago — It went something like this... Not too long after Robyn started dating John and it appeared they would end up “together,” he told her that he really did not want to have cats in the bedroom. Well, we all blinked and not only were all of the cats in the bedroom, but there were always a few of them in the bed with them! He loved those cats at least as much as Robyn did! Too cute!! 😺

“ *My deepest condolences to Robyn and family
As owner of Ed's Tailor Shop. John's office was around the corner.
He stopped by often with always a smile and a cat story. He roped
me in as treasurer when he ran for office. Always community and
civic minded. A man who will be missed by many.*

“ *I met John through CERT and will always remember him fondly. He
was always kind and friendly to everyone. I will always remember
his smile and his concern for everyone's well being. Whenever I
posted something about my life he would always have a kind word
or wisdom he would impart to me. Rest well dear friend. You will
truly be missed.*
