“ I worked with John during his ShopRite career. John was a fair, generous, kind hearted man that I feel fortunate to have known and worked closely with.

John participated in every event we had in the store. Whether he was bringing Mary's delicious Peanut Butter Kandy Kakes to a holiday luncheon or dessert contest (and he always made sure he got her big pan back), or taking part in our fundraisers, he was a huge supporter of both the store and the community.

Five years ago, when John heard I lost my father, he had one of the boys drive him to the store I had transferred to, well after he had retired! He came just to offer his condolences. And that was the kind of man I knew John to be. I will remember him with much fondness and feel fortunate to have known him.

My deepest condolences to the entire Matthews Family.

John was my mother's youngest brother and a wonderful uncle. Being only 3 years younger we grew up together. I will truly miss him and his huge personality... Love you uncle...
