“ *I have very fond memories of John.
No one did a better impression of Rodney Dangerfield than Spike did. I will always remember the fun times we had together. I have some great pictures of him from the good old days.
Rest in eternal peace.*

“ Just spoke of him last night, haven't seen him in 40 years. We rode our bikes and played Barbies and GI Joe's. Had grill cheese and tomato soup or cottage cheese and fruit for lunch at each other houses in the summertime. Will always think of you fondly.... RIP
