“ Anne Marie and family - we are so saddened to hear of John's passing. We have so many fond memories of Sacred Heart's Youth Group, retreats and church functions with all the McMullens that hold so dear to our hearts. John, Steve and the entire Carnovsky family send their condolences.

“ I will miss you Uncle Jack. I am now even more grateful for the chance we had to spend some time together when you made it out here to CO a few years back. One of my favorite all-time memories as a child was being picked up from school when it was snowing, and Mom telling us that we were heading to your place to go snowmobiling! When we got there, you already had the sleds pulled out of the garage and warming up. (No matter how hard it was snowing, you never seemed to need a coat!) Whether it was snowmobiling in winter, or swimming in the above-ground pool w/ my cousins, going to your place was always some of the best times. Please give Nanny, Pop Pop, Uncle Mike, Uncle Butch, and Aunt Helen a hug from us. We love you.

“ Our deepest condolences to Mrs. McMullen and the entire McMullen family. He will be missed by many of us near and far. My tribute to Jack is very simple, "He made a difference in my life!" He was one of a few mentors that help shape my life as a young man. I credit him with giving me my start in the construction industry. He also encouraged me to join the JFC where we volunteered together for over 15 years! If you ask him for help, he was always there! I am only one of the many people that Jack "Made a difference" in their lives. Thank you Jack, you made a difference!
