“ John was a wonderful coach and mentor to so many young boys in Springfield Township. He accepted each of them as a unique person and was never critical or judgmental. Our son Ray loved and respected him and our family was fortunate to have known him. Even though we have not seen him for many years, we have fond memories of those days. Our sincere condolences go to Geri and the whole family. May John rest in peace and may the family get through this very difficult time.

“ *The staff of the Roofing Contractors Association, his contractor colleagues and the entire union roofing industry wish to express their deep and heartfelt sympathy both to John's personal family members and to his extended "family" at Patriot Roofing Co. John was truly a well respected giant in our midst. His willingness to serve so unselfishly by the giving of his time and knowledge in order to advance the interests of his industry can never be replaced. As John would have expected of us, we will all go on. John's contributions, however, will never be forgotten. We are forever thankful to have known and worked with him. May he rest in peace.*

John was the first person I met and golfed with at the Colony. We often laughed about that first day when I ran out of golf balls after 13 holes and had to borrow a couple from him. He was an extremely thoughtful and giving person. My wife and I had great times with Geri and John as they became our good friends. We had many conversations while golfing and his love for family and friends always came thru. John was a true blue type of guy and that's what I respected about him.

Please accept our deepest sympathy as we pray for your family.

I'll miss you buddy, rest in peace.....
