

John "Ron" Ronald Beebe

October 11, 2022

John Ronald Beebe (Ron), son of the late John and Ida Beebe, passed away on October 11, 2022 at the age of 72 in Pennsylvania from complications related to Parkinson's.

Ron grew up in Mount Holly, NJ, attending Rancocas Valley High School, Rider University, Rowan University, and TCNJ. He earned a degree in Business, a Masters Degree in Education, and his principal's certification. He and wife, Joyce, raised their family in Springfield Township. After retirement he and his wife moved to Lititz, Pennsylvania to be close to their grandchildren. The majority of Ron's life was spent in education helping serve children. He started his career as a classroom teacher in Springfield, later moving to administration in Pemberton Township School District.

He enjoyed working with the school community, considering them his second family. He was a selfless individual, wanting everyone to be successful. He strived to find ways to enrich and nurture everyone's life both in and out of the classroom, while always thinking of how his decisions would impact their lives. Outside of school, he was known as Ron, Dad, and G-Pop. He loved spending time with his two grandchildren. They both kept him busy and constantly laughing. Ron enjoyed baking with his grandchildren and tasting afterwards! He had a love for New Jersey pizza, blueberries, and all chocolate. He enjoyed nature and taking walks.

Ron is survived by his wife, Joyce, and sons Evan and Garrett, daughter-in-law Maeve and two grandchildren Fiona and Jake. He is also survived by his

sister Sandra Houlihan, niece and nephew Kristen Nelson, Michael Houlihan and several great nieces and nephews.

Ron will be cremated and then interred in the Mt. Holly cemetery. A visitation will take place at Perinchief Chapels in Mt. Holly on October 15, 2022 from 11:00-1:00.

Ron and his family thank the medical staff who helped throughout his journey with Parkinson's. In lieu of flowers please send a donation to the Michael J. Fox Foundation or Hospice and Community Health of Mt. Joy, PA.

I worked under Mr. Beebe for about 4 years. He was a wonderful man, principal and all-around genuine man who took care of his employees and his school. My heart breaks for the family. God Bless you all and rest easy Mr. Beebe.

Emmons School was my family. When I moved from CT, Ron hired me as a Reading Specialist. As a strong educational leader, Emmons School faculty lead the way.....

He was kind and caring and funny. He made connections with his students and knew all the families. He made strong connections with each and every member of his staff.

He will be greatly missed!

“ *One of the best teachers I ever had. He was so tough and demanded our absolute best. My sister and I talk about Mr. BeBee all the time. We each had him for fifth grade, 36-38 years ago. He truly cared about educating our youth. Some of the things he taught me still resonate with me today in the business world. He truly made a difference in this world. RIP Mr. BeBee. You were one of the greatest* ❤️

“ There are so many wonderful memories I have of Mr. Beebe. His kindness and generosity made such a difference in my life and my boys' lives. Concerts, family fun nights, Christmas ornaments, picking songs for back-to-school night slide shows, visits from the state and forgotten lunches, round table discussions about birthday certificates and pencils--every memory comes with the fondest of smiles. My deepest condolences go out to your family.
