“ I did not see John at the last two Highland Festivals, and feared that such was his fate. Moe Blotz, rest in peace, may your kabers always fall forward, may the Highway Patrol always be getting coffee when you approach and may all of the lights be green.

“ So very sad to hear this. He was my first love! So many fond memories with him. Things I remember still that he liked were; white puffy clouds, Budweiser beer, his farting dog Winston, and riding his Harley. He was a good guy. I often thought about him over the years. May he rest in peace! 🥹💕
