“ *Deepest sympathy for the family. I have so many memories of Mr Verity like teaching me how to ride a horse as a Teenager and enjoying his joking around and his bright smile. One of the toughest men I will ever know and he certainly has left many good memories for me and I'm sure everyone in his family and friends network.*

“ Dear Aunt Kitty. We are so sorry that we cannot be with you in person to give a hug and our sincere condolences but know that you will be in our thoughts and prayers throughout these difficult times. We know that you have lost a piece of your heart forever.

Dear Jackie and Jeffery. Losing a parent is an inevitable event that we must all go through at some time in our lives but you both have memories since childhood that you can share with each other. It may give you both some comfort.

To the grandchildren: Live your lives with love and kindness in your hearts and be the best you can be knowing your grandpa would continue to be proud of each and every one of you he already was.

Love and peace to all:

David Verity and Vickie Verity D'Angelo
