“ Aunt Carol,

I am so sorry for your loss. Uncle Jack was a great guy and my memories of visiting you guys on the base (Pre. David and Brenda) are still vivid. I wish I could of been up there for the service but just found out about it today. Small sad world....Kelly's close friend, Jimmy Passalacqua passed away and Perinchief's handeled his service as well. Kelly called me the second she saw Uncle Jack's name on the current list. Though we don't get to talk, I talk about you and Jack with Kelly a good bit. I was amazedmthat she caught his name on the services list. He will be missed. Thank you for the card with the update of the family up there. It's been several months since we have been back up to NJ but I promise you that I will let you know when I will be comming up so that I can see you to say HI. You and the kids are in our prayers.
