“ *This deeply saddens me. Jorge was a wonderful man whom I was lucky enough to meet . I have driven him on Access Link for many years. He left a mark on every driver he had. Always so sweet. I can honestly say I loved him. My heart goes out to his family that he loved so much. He is dearly missed. With love and prayers. Dawn Delanoy*

“ Dear Llamas family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ *Jorge was a really great guy too me. His smile and gentle manner would always make you feel his friendship towards you. I remember well the plays at Lighthouse Tabernacle Church where he would play one of the disciples and call on the name of Jesus that had a profound affect on me. His joy would always show on his face. I enjoyed the trip we made to New York with friends to watch his Yankees play ball. I will surely miss you my friend but I know that you truly are dancing on the streets of gold with our Lord and Savior Jesus*

“ George, he didn't go by jorge than, was my catcher during the time I coached lighthouse's softball team in the Webb league. He always called Joyce, Mrs coach cause he told her he couldn't remember her name. I remember walking a guy during the playoffs that he didn't agree with but he never said a negative word. I'll always have fond memories of Jorge he is and always will be missed.

“ I met Jorge, his sister, Nancy and his mother at Lighthouse Tabernacle. Jorge and I would always have a fun time speaking "Spanglish" and "NewYorican". We would have conversations about the "boila" and the "don't speaka to mush en espanol..." We laughed so hard. His mom consider us as brother and sister. So I am sadden that my brother is not here, but also very glad that he knew Jesus as Lord and Savior and now he is whole enjoying himself in the presence of Christ. I will miss you.
