“ *Anna: I am so sad to hear about the passing of your son Jorge. I remember babysitting him when he was just a sweet little boy. We were just talking this past summer about our kids and grandchildren. My heart aches for you and your family. You are in my thoughts and prayers. Donna Robbins Markol*

“ Jorje was never a friend to me. From the time we first met we were brothers. I loved him like a sibling. We were 2 peas in a pod growing up, it was rare to see us not together. We shared everything clothes, shoes, water and even trouble. So many nights we stayed up playing video games or at the courts or just arguing sports. Thank you Ann for all you guys did for me growing up all the Mcdonalds you brought us and all the screaming telling us to go to bed lol I practically lived at their house. Ann I love you and Joey you will always be my little bro.
