“ Abuelo Cheo there were so many times where we thought we lost you, but God gave you another chance each time. I've been able to see you these passed weeks and each time it broke my heart, but at the same time it made me proud of you for specific reasons that only us that have been there know those reasons. I've admired the strength you had to go through everything you have gone through these passed weeks because you would try to be strong for us and made sure we didn't worry about you and always keeping a smile on your face for us when we did. Although I may have not been such a close granddaughter I will miss you, the days we use to visit you, the stories & jokes you used to tell us about the many girlfriends you had and about other things that always made me laugh. I'm grateful and at peace to know you won't be suffering anymore. My condolences to my family and my prayers are with each one of you. Abuelo you will be missed, Rest in Peace. Love you, Cindy###imported-begin##Cindy Pimentel###imported-end##

“ Never thought the day would come where one of the toughest, hardworking, men I've ever known would no longer be with us in physical form. But you will always be with us in spirit. As a little boy, I always looked up to you. You never let anyone step on your feet! You are the reason why I have the drive in life that I do. I always felt safe next to you no matter what! You always found a way to make me laugh about any situation I might have been going through in life. I love you Abuelo Cheo! Thank you for all you have done for me, and all the good qualities I've inherited from you. I will be sure to continue to make you proud of me. Forever, Doramy###imported-begin##Doramy Hernandez###imported-end##

Eras muy fuerte de caracter y quizas yo tambien, pero no importa eras trabajador,y muy servicial, lo tuyo lo compartias con el que se acercaba a ti. Se que ya estas descansando. la biblia dice: El Senor mismo con voz de arcangel y con trompeta de Dios, descendera del cielo y los muertos en Cristo resucitaran primero. Asi que nos llevas ventaja en eso. Te quiero papi. Te extraño..Amen Love you always##imported-begin##Carmen & Victor Hernandez##imported-end##*
