“ Today I went to the Alexandria farmers market looking for my old friend who was nowhere to be found. I’m sorry I had no idea he had passed away 4 years ago. I knew him since I was a little boy and worked for him at his orange juice stand for many years. Several years ago I was able to introduce him to my wife and family. Joseph was a great guy and helped form me into the man I am today. Joseph was the most social person I have ever met. Everyone was his friend and all the women were his “girlfriend” He will be missed by many, and remembered by me forever. Rest in peace my dear old friend.
