“ *Joan and I are so sorry to hear about Joe's passing. Joe was my cousin and along with Reds (Albert) and Jack we had a lot of fun together as kids. We left the area in 1972 but we kept in touch with Christmas cards etc Joe was a great guy and we will miss him.*

“ Joe was a great guy with a wonderful sense of humor. He and I had a fun time when I presented him with the weekly church bulletin. I either wrote his name on it, went out of my way to walk up to the first pew where he sat and presented the bulletin to him, delivered it in the collection basket, or taped it to his front door at home. He presented me with a certificate for "mediocre service" signed by him and "Pope Benedict." He gave me the certificate in 2008 and I still have it. I will keep it in memory off Joe.

My condolences to Kathleen aka "Mickey" and to the entire Voelmle family.

“ Mr. Voelmle was more than a good friend to our family - he was like a second father to me. Witty, funny, fun-loving, and intelligent, he was a part of the great memories I have of growing up in Edgewater Park. He started me on a journey of being an aquarium enthusiast by buying me a pair of fish - 2 black mollies. We played chess during the heyday of the game in the early 70s, as well as half-ball, street football, and wireball. And his friendship with my Dad was, well, indescribable. A lot like Fred and Barney of the "Flintstones" ... except they were both "Fred". And they enjoyed it - as did the rest of us.
