“ *My Condolences go out to the Woloch Family during this difficult time, Ilene you may or may not remember me but Joe was my supervisor at the base service store at Mcguire AFB during the late 80's. Joe was a Great man & a role model for me back when i was 20 years old & more importantly a friend. I can remember some Friday night trips down to AC with him so he could do a little gambling & blow off some steam. I wish i would have known you guy's lived nearby so i could have kept in touch over the years. Joe was a Great man & will be missed by all that got a chance to know him. Thanks for the memories from 30 years ago Big Joe & rest in peace my friend !!!!!!!*

“ Dear Woloch family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
