

## Joseph J Tolmayer

January 13, 1941 - July 20, 2010

Joseph Tolmayer of Eastampton passed away suddenly with family at his side into God's loving arms on Thursday, July 22, 2010. He was 69 years old.

He was born in Thornwood, N.Y. and has lived in Eastampton for 37 years. Joe was an adjunct professor of Economics at Burlington County College for the last 28 years. He loved to teach economics in a practical and easy manner.

Joe loved his sports and was one of the first coaches of the Eastampton Soccer Club, but his greatest love was watching his children and his grandchildren playing all of their sports. He loved to talk about sports and sports trivia and anyone who would listen got an earful.

Joe's greatest love was his wife and best friend, Joan. Their love of 45 years created four wonderful children and eleven fantastic grandchildren. In addition to his wife, he is survived by his son Robert of Westampton and his wife Patrice and their children Anna, Jennifer and Tony. His daughters, Terri Anderson, of Shamong and her husband Glenn and their children Zach, Luke and Jake; Susan Johnson of Harrisburg, PA and her husband Charlie and their children Charlie, Noah and Jillian and Deidre Adams of Berlin and her husband Mike and their children Jade and Joey and his sister-in-law, Dolores and her husband Dick as well as his special buddy, "Rusty" the cat.

Joe was so proud of his family and would say how blessed he was. He will be sadly missed by them and all the people he generously shared his life with.

The family invites friends to his viewing at Perinchief Chapels 438 High Street, Mt. Holly on Sunday, July 25 from 7:00 – 9:00 pm and a funeral mass will be held on Monday, July 26 at 10:30 am at Sacred Heart Church 260 High Street, Mt. Holly.

“ As a former BCC student who was lucky enough to have Mr. Tolmayer as my instructor for both Micro and Macroeconomics, I am truly saddened to hear about his passing. He was a heck of a nice guy, always helpful, and one of the best professors there. But in addition to learning from him, I very much enjoyed my frequent sports talks with him, especially Phillies baseball. I remember back in '07, and they were scheduled to announce the National League MVP for that past season during class, and Phillies shortstop Jimmy Rollins was one of the lead candidates. Mr. Tolmayer let me leave class to go look up online who had won, and I happily returned to announce that Rollins had, in fact, won the MVP. (much to Mr. Tolmayer's delight) Little things like that stand out for me, and its a memory that always makes me smile. I will never forget Mr. Tolmayer, and his good natured and easygoing manner is an example for us all.

God bless you, Joe!##imported-begin##Richard Locklear##imported-end##
