“ *Josh, always knew how to put a smile on my face no matter what mood I was in. I can't help but feel cheated of time with such an amazing person because of moving away. I spent a couple years trying to get back in contact with him and when I did, it was like we never stopped talking. He was and is amazing. I'll never forget it. My condolences to his beautiful family.*

“ I was saddened to read of the loss of Josh. I personally have experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures (Rev 21:4) gives the assurance that God will end death, pain and sorrow. I hope this brief message brings comfort to you and your family.

“ We are so sorry to hear of you're loss. We watched Josh for so many years play sports with our son and he always was so competitive and talented at everything! He had a love of life and was always so nice to talk with-our hearts break for you and John, you both always supported and loved Josh in all he did. Please know you are both in our thoughts and prayers during this sorrowful time. Love, Dot and Joe Pawlowski

“ Josh was a great person to be around, whether it be on Mrs. Lounsberry's or Mrs. Cobb's bus or in the classroom at Springfield or Northern Burlington. He always found a way to make everyone laugh. As annoyed as our teachers got, they even knew when he was joking around. Josh, I hope you are at peace now and you are no longer suffering. On Behalf of my Parents Mike and Allyson, I extend my thoughts and prayers to Ida, John and Jason during this difficult time.

“ Josh and I were friends . We were managers together and spoke for hours upon hours like high school girlfriends. We had a bond and the world will kiss his innocent soul . Misunderstood in many ways Josh was a true version of his own heart and anyone who ever truly knew him , knew how much he cared. We talked deep and I hold many deep memories of a true true person. I will miss you . Love you shwuah
