“ *Jay , you will be truly missed by so many. I only knew you for a few years but it didn't take long to realize you were a terrific guy! A family man and a man of action. You were an amazing CHEER Dad who will be missed on those long cheer competition days and trips. Always keeping us smiling with your witty charm and cheer Dad charisma. You left us way too soon and will be remembered often. You and your family will be in our thoughts and prayers during this difficult time.*

“ *Jay was the face of Hainesport! He was always ready with a smile , a wave , and , if you were lucky , a story to be told . That seems to be a trait passed on by his father who was my favorite customer at Commerce Bank . Every one knew Jay ! He was so proud of his family and took great pride in his work . Jay , this town won't be the same without you , you will be sadly missed . Rest In Peace , Carolyn Clarkson*

“ My condolences to the Jones family. I met Jay over 8 years ago and we hit it off right from the get go. He helped us out many times especially during bad weather days. We would text each other during Eagle's games (good and bad) and had a blast in Wildwood during the car show. Jay had a positive look on life. It didn't matter what he was going through, he would always find something good to say about the situation. Jay was one of those guys you wish you had more time to hang out and enjoy life with. It's so sad that you will no longer share your smile and laugh with us. Until we meet again my friend !
