“ *Juanita was a very dear friend for many years. We worked together on Fort Dix before retirement. We spent many times doing on of our favorite things, shopping. She would often come to my place on a Friday and spend the night. She loved my cat, Chance, and he loved her her. I am missing her terribly. I will never forget her. My condolences to Amanda and the rest of her family. Love, Bonnie Armstrong*

“ *Juanita was my godmother, my mother's best friend for over 40 years. She was such a light and blessing to have in my life. I remember sitting with her and her own mother (my adopted grandmother) in church, going over for Christmas and visiting many times over the years. She will be missed dearly.*
