Judy was an inspiration from a young age when she was diagnosed with Rheumatoid arthritis. She would later in life, experience a number of health conditions that would affect the way she lived her life, but she never let it dictate the way she appreciated life. Despite the health issues, Judy always had a lucky side. Winning various prizes through the NJ lottery and Burlington County Times newspaper. Most notably, she won a trip to the super bowl in 1989.

A true go-getter with an indomitable spirit, Judy led a life defined by service, perseverance, and deep love for those around her. For 50 remarkable years, she shared a devoted marriage with her beloved husband, Victor Anderson — a partnership she proudly celebrated and cherished throughout her life.

Judy was a lifelong organizer and giver. Whether volunteering at Saint Anne's Church, scheduling altar servers and Eucharistic ministers, or helping run bingo nights and church carnivals, Judy could always be found behind the scenes, making sure things ran smoothly. She served for years as PTO Secretary in Pemberton Township Schools district, lending her keen organizational skills and warmth to countless students and families. Professionally, she worked as Block Clerk Coordinator at the National Auto Dealers Exchange (NADE), where her dedication and precision earned her great respect.

She was a proud long-time member of the Embroiderers' Guild of America (EGA) and found joy in creativity and craftsmanship. Serving as the president and board member for a period of time, she faithfully provided the newsletter each month for years. She was a talented stitcher and teacher who was always there to support the guild even as she pushed through her health issues.

Judy also loved spending time with her family at Ocean City, continuing a summer tradition begun with her parents and carried forward with her own Family.

Judy had a brilliant mind and loved to challenge it — whether solving Sudoku puzzles, playing Mahjong with friends, or enjoying a good board game with family. She was an avid fan of football and horse racing, and her competitive spirit was matched only by her quick wit and lively conversation.

Known as a beautiful writer and family historian, Judy took great pride in sending out a detailed and heartfelt Christmas update each year, chronicling the events and milestones of the extended family. She remembered everyone's birthdays, anniversaries, and even the more somber dates — always making sure no one was forgotten.

Judy found deep joy in connecting with others. She loved long lunches filled with meaningful conversation and laughter, always making time to catch up with old friends and new. Her warmth, attentiveness, and selflessness made her a natural nurturer and a lifelong friend to many.

Judy spent her later years at her home in Browns Mills with her loving husband Victor. Regularly watching her grandson Jack, whom she loved dearly.
