“ To The Borger Family,
I worked with Judy for years when she worked with Bayada Pediatrics. She was always so gracious, so willing to help whenever possible, and so devoted to the clients she cared for. An exceptional nurse, and an even better person. I will always remember her fondly.

“ Judy Borger was a fabulous lady and a fantastic nurse. I worked with her for several years in the 1980s and early 90s, she was beautiful, funny, compassionate and an absolute stand out. She's one of those people you will never forget, I can still hear her yelling at me "Sean, go make cawfee!" She was relentlessly dedicated to her patients and her family... And she loved a good Lonaberger basket! It was always nice to know that she was out there somewhere, and I suppose she is. My deepest condolences to her family...there will never be another one like her!
