“ *I am so sorry as know how much she meant to all of you. Only met her a couple of times but she raised a sweet beautiful young lady who is my grand daughter by marriage. May Gods love and smile be with you all and his peace and strength sustain you!* ”

“ *I met Judy 22 years ago. I liked her immediately because of the way she interacted with my dogs. As I grew to know her better, I realized that she treated all living things with the same care and respect. Judy loved helping others but she never expected recognition for her kindness. Family was everything to her. Judy loved making memories with her children and grandkids. I think they all have some lovely memories to cherish, as do I. Denise D.* ”
