“ *My sincere sympathy in the loss of your Mom, Joyce & Judy Rae. Both of your parents were so hospitable whenever we visited their restaurant. No matter how busy they were, they always snuck out of the kitchen for a hug and hello for us. We have lost many great branches off of our family tree, but I like to think we have learned from the best. May the warm memories that your parents left behind sustain you and your families through this difficult time. Patsy Varga*

“ *Mommom,
Words can not describe how much I miss you so much. I miss hearing you say my Roxy. I cherish all the memories you and Poppop made with me. I now have the two best angels watching over me. I love you so much.*

“ To my Mother, you were such a great mom. You always made sure I had everything I needed, and you always made sure I knew I was loved. I seen so many different places from all the vacations you took Joyce and I on. I will always cherish those memories. I miss you so much. My heart is truly broken. I will miss our nightly texts. I will mostly miss just knowing I could pick up the phone and you would answer. My only peace is that I know you are with daddy. I know you've missed him so much. I was truly blessed to have you as my parents. I was truly blessed to have you for my Mother. I love you Mom, your Daughter Judy Rae
