“ I remember June (Mrs. Pennock) as I called her in my childhood days. She lived directly across the street from me on Pine St. and I went to school and was very good friends with her son Scott. I used to go over to play with Scott and she was always so very kind, she would invite me to stay for lunch or dinner. We fortunately reconnected a few years ago on Facebook and it was nice to catch up. I remember she had a welcoming smile. I send my most sincere condolences to her family and all her knew her kind,gentle soul 💔
