“ *Justice,*
We were close when we were children, and that is something I will always hold close and think dearly of. I have some great memories growing up with you and looked up to you when we were young. I know you've had your own struggles as you became an adult, and I'm sorry for that. I am positive you were a good person. I hope you are at peace now. I'm sorry that this happened to you and I will never forget you.

To the McCay's - Know that Justice had allies and touched the lives of some, the people posting nastiness are just unhappy with themselves and misdirected.

“ *Justice. Mommy misses you. God. This will never be ok. I am so sorry. You fought so hard. I will never be disappointed in you and I will always be proud and I will always be your "momma". I would give anything to give you one more big squeeze*
