“ *You were my first friend when I moved to NJ, and as the years went by I needed no others. Karen there are no words to express the grief I feel now that you are gone. We were like sisters for most of our lives. I thought we had many more adventures ahead of us. Now as I think of the future there is such a huge hole in my heart. You are at rest now. I know life has been a struggle for you lately, but know that whatever my future holds, I will love and miss you always!*

“ *From the 1st time we met at Carole's bridal shower in Philly and took a walk around the block we became friends. Years have gone by saw you at weddings a big smile to say Hi. Even though the years have gone by my heart aches to know you won't be there. Rest in peace my friend and give my nephew a hug. God Bless*
