“ *This beautiful woman has been there for not only me but for my whole family. She was always positive, happy, and treated everyone with respect no matter how they treated her. We shared so many experiences and and moments of fun together. I loved to make her smile and laugh. My life would have not been the same without her. Her last words to me were "I Love You Too" and it was done with a smile. I am glad she is not suffering anymore and is in peace now. She will always be with me in my heart.*
