“ *Kathy was a treat to know and work with. In the 10-15 years I knew her, she was pleasant, professional and all around lovely. My heart goes out to her family.*

All who worked with Kathy at the Pinelands Commission knew her as very competent in her work, fun loving and ready to laugh at any moment at the many humorous moments in her day, and always devoted to the needs of her family. You can see the smile on her face in the picture here which we saw every day.
