“ I read the obituary about the loss of your loved one and I extend my sincere condolences. Death is truly an enemy but there is comfort in the Holy Scriptures that “God will actually swallow up death forever and certainly wipe the tears from all faces.” Isaiah 25:8?

“ What a beautiful soul heaven has gained. We will remember her in so many everyday life moments. We will remember her unending support of my daughter with her dance company and am so glad she had the chance to see her dance in Nutcracker. Jana is dedicating her performance in Nutcracker this year to her memory. I am so very thankful that she had the chance to bless our lives. Our prayers will continue for all of her family.

“ Kathy was a phenomenal woman. I first met her while applying for a position with her company. Her smile and laugh were contagious. I was then placed in the first unit she supervised. Kathy had enough energy to light up a town and a sense of humor that was quick, sharp, and hilarious. Above these qualities, she was a great friend to many and someone who I truly feel grateful to have known. She will be missed but her spirit will live on.

“ Kathy was a wonderful human being. She always gave of herself. She made everyone feel loved and supported. She found the good in everyone. Her smile brightened the room. She will be sadly missed by all. She went to heaven to be with her mom and her sister. She will watch over her soulmate Garry and her dad as well as all the others in her life. I will truly miss her. RIP my friend!!!
