“ I was in Mrs. Hoagland's AM Kindergarten class in 1980/81. She was so sincerely and genuinely kind to my family - the oldest of 3 girls who all had her as their teacher, she left such a lasting impression on each of us. Kay was the very reason why I absolutely LOVED and succeeded in school. Sending prayers and hoping that her legacy leaves her family with as much pride as she had in each of her students ❤️

“ Mrs. Hoagland was my Kindergarten teacher 1982-83. She was so kind and treated all children with love and care. She made me look forward to going to school every day. She will never know the long lasting impact and impression she made in my life. Rest easy dear teacher.

“ Mrs Hoagland was my Kindergarten teacher at Holly Hills School. There I met my best friend Rita Stewart who 53 years later is still that BFF. Fast forward after graduating from Grad School at Rutgers and began Supervising the Discharge Planning Nurses and Social Workers. Mrs Hoagland volunteered there. One day she brought in my kindergarten picture and showed my staff. I felt like a real teachers pet. What a wonderful woman❤️

“ Mrs. Hoagland was a “mom” to do many RVRHS athletes! She and Coach Hoagland opened their home every Friday night for “pizza parties” — we only figured out later that it was to keep us safe and out of trouble. What a wonderful, complete, loving person! Her memory is absolutely a blessing to all who knew her!
