“ Hi Cheryl. This is Keisha from Glassboro. You and Kevin did some paint jobs in my house and bought pocketbooks off of me. I've been trying to get in touch with Kevin over the past few years so I googled him and found this. I am so saddened to hear this. He was Brahim's and my buddy. I'd like to get in touch with you as well as his dad Rich if possible. Love Keisha.

“ Had a lot of great times with you Kevin. Wish I could've spend some time with you the last few years, but I do relish talking to you back in 2009. I really do thank G*d, I got to speak to you then. Oh and by the way, my back is still a little messed up from when we rolled your car twenty years ago. I carry that little piece of our time together everyday and it's hard not to think of you. I know you were at peace here, now you just found more of it. Love you man, see you one day.
