“ *Kevin, you were a character and you will sorely be missed. We miss you out in front of the house cleaning up. We miss you showing your yard and all the work you have done to it. We miss the Santa Beard. Lilly misses you too, she was waiting for you to let her in last night when the rain from Sandy started. We miss watching your TV from my living room. We hope you are in a better place. Rest in Peace.##imported-begin##Tony & Yolanda Bonanno##imported-end##*
