“ *Kim had a big heart and always tried her hardest to help everyone she could with any problem who called our office, even if it meant her spending significant time to look up information on other state agencies and such. She was a sweet and loving person who will really be missed in our office.##imported-begin##Faye Sorhage##imported-end##*

“ *Dear Family of Kim P. Bernini: Please accept my deepest sympathy as you greive your loss. Kim, would always speak to me when she gave me an incoming call saying Pammy, I have a call. Always taking the time no matter where i was in the bldg., just to say "Hi" emailing the updated phone list for cds as well. Kind words can be short and easy to speak, but their echoes are truly endless. Mother Teresa##imported-begin##Pamela Beasley##imported-end##*
