“ Glen, Karin and Marissa I was so deeply sorry to hear of your loss. I remember, fondly, hearing about Kyle buying his first home among other stories. I know he was very loved and how close you all were. I hope that in time your memories of him will sustain you and help ease your grief.

“ *I have known Kyle since kindergarten and have so many memories with Kyle at his parents house in high school- he was my best friend. So sad to hear of his passing. My favorite memories are off roading in his bronco in Wharton state forest. He was an all around good person, never cared what people thought and was always just himself. My heart goes out to his family.*

“ *My deepest sympathies for all of Kyle's family for this sudden loss. I only had know him for about a year at Hunter Truck Sales, but in the short time I came to appreciate his strong work ethic and quality. But it was his cheerful demeanor and that friendly and booming "good morning" that made the biggest impression on me. I think I speak for the entire Hunter Swedesboro team when I say he will be greatly missed by his coworkers and friends alike. Sincerely, Joe Kelly*
