*Two proud fathers. Over thirty years after our own navy days we each had a son graduate from the naval academy. We never would have believed it!*

*We shared the same birthday and made a contest out of who would send greetings first. He was five years my senior, so of course I would rib him about being my "old" navy buddy. Oh, but how I am going to miss him. God bless you dear friend you have been, and will always be, in my thoughts and memory.*

“ *Larry, you are already missed. I didn't get my annual Christmas or birthday wishes from you. He never, ever forgot. One of my fondest memories is when Larry still lived at home. We lived in the upper level of the former sugar beet factory. He was always playing the guitar, which he taught himself to play and I would go in and sit next to him and sing all the songs he played. I think all of our neighbors were glad when it was too cold to have our windows open! Let's just say Larry played the guitar a lot better than I sang. I could sing really loud though. Goodbye, brother - rest in peace.*

“ *Larry was the one who I could always count on for the birthday and holiday text greeting. It won't be the same without you, brother!*

“ *Northal and Iris Gaddy send our condolences to the family. Larry shared his love of music and family with us while stationed in Hawaii as a great clarinet player and leader. May God watch over the Powell family and cover them in peace that surpasses their understanding. Bishop Northal Gaddy and Mother Iris Gaddy*

“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.
