“ Bonnie I am so sorry God had other plans. I know how much you sacrificed trying to get Larry better and keeping the businesses going. We all prayed everyday that he would come home to you. I know how hard it is to stop and realize they aren't here with us and they moved on but we miss them non the less. Moms birthday passed and I still think of her and light a candle in her honor. And mom number two is coming up November. I love you cuz you are incredible and no matter how tough you are remember to cry, shout and to laugh again. Then take a breath. I just want to say I love you, I support you and if you need anything just ask. Even if it just to talk. That's what family is for after all. Love ya! 🤗🤗 Mark Anthony Lingle

“ Mrs. Bonnie,

*My family and I are so sorry for your loss. I would always tell my friends and family how incredibly nice and cool, my neighbors (You and Larry) were. You always had the time, no matter how busy you were, to stop and ask how my son was doing and he would always say Daddy, there is Mr. and Mrs. Bonnie and smiled, whenever he saw you outside. May God give you and the family, the strength and support you need, to get through this time. 🙏 Sending my deepest condolences, Your neighbor, T. Waters*
