“ *Words cannot describe how much you meant to me. You were ALWAYS there for all of us, no matter the reason. You didn't mix words, as you were straight up and told it like it is. You were our rock. I will miss you tremendously but I also know you are with so many other loved ones. I'm sure they were all waiting for you. I love you so very much! Shine bright my beautiful sister!💔 You meant the world to me.*
