“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what we are facing God is there to help us get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.

“ Although I didn't know your Dad that well, I always held him and your Mom in high regard. I know they're sitting in the sunshine together again. So sorry for your loss.
