“ Dear The Borm Family,
It was such a pleasure caring for your father and getting to know all of you. You all were such a great family and I am so sorry to hear of the passing of Leo. I will always remember his smile every time I walked into his room and I will always remember how he never wanted to be without his hat! From the short time that I knew him, I could tell what an amazing man he was.
I wish you all the best and you are all in my thoughts.

“ *Dear Borm Family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ *A man is not judged by what he has but what he gives. Mr Borm was always happy and concerned about others. He never wallowed in his challenges but was interested in others. He gave of his love and concern for me and my family. He truly gave of himself. We will miss you. Ken & Denise Baranowski*

“ Here is to my Father that I was lucky to be able to call Dad, Bud, Friend and "Yo" too. He woke up with a smile on his face every day! If you met him you loved him!! There was something special about my dad and it is Love and his comforting way. Everybody loved Leo. But, I got to call him Dad.

“ My deepest sympathies go out to all members of the Borm family on their loss. What a treasured blessing to have had such a wonderful man in all of your lives. His testimony lives on in you all and I hope comfort can be found in a passage that I found solace in at a similar time of grief:

*I am standing on the sea shore.
A ship sails to the morning breeze and starts for the ocean.
She is an object of beauty and I stand watching her until at last she
fades on the horizon, and someone at my side says, 'She is gone'
Gone where? Gone from my sight, that is all.
She is just as large in the masts, hull and spars as she was when I
saw her, and just as able to bear her load of living freight to its
destination.
The diminished size and total loss of sight is in me, not in her.
And just at the moment when someone at my side says, 'she is
gone' there are others who are watching her coming, and other
voices take up the glad shout, 'there she comes.'*

God bless and with heartfelt sympathy - Anita

“ *Somebody once said: We're all put on this earth to do a job and when that job is over our time comes to an end and we're called back to God.*

Mr. Borm's job was to give us all hope, serenity and courage that was the way he lived his life. A vision of the Virgin Mother gave him a sense of absolute calmness and fearlessness of death this was his gift to all of us it was one of his jobs along with being a Husband, Father, Brother he did them all well.

God Bless you your wait is over and your finally with the Blessed Mother again.

“ Rest in Peace Uncle Leo. I will never forget the hoagies he would bring home from the store for our fishing trips. He always told me I was going to be a jockey. I never was but do have horses. Thank you for the memories while growing up. You and Aunt Mary are always in my thoughts. God bless you and keep you.
